It's been a long time coming
Just to get where I wanna be
Out here in the wide open spaces
Skies of blue as far as the eye can see

Endless fields and majestic mountains
Crystal clear spring waters flow
Far away from life's distractions
This world fills my heart and soul

I close my eyes and feel the breeze
Hear the wind blowing through the trees
I'm at home in all her glory
I'm at home and it sets me free

Standing still lost in this moment
That Father Time keeps trying to steal
I'm holding on to Mother Nature
With her touch she helps me heal

I close my eyes and feel the breeze
Hear the wind blowing through the trees
I'm at home in all her glory
I'm at home and it sets me free
