Sitting on the bank by the river
Watching the river flow by
Sitting on the bank by the river
Waiting for my wings to fly

Sitting on the bank by the river
Picking on my old guitar
Sitting on the bank by the river
Happy with who I are

Oh what a feeling oh such a feeling
Running through my mind
High up in the mountains, down in the valley
Watching the river flow by

Sitting on the bank by the river
Waiting for my time to come
Sitting on the bank by the river
Trying to do what needs to be done

Sitting on the bank by the river
Flicking a fly all about
Sitting on the bank by the river
Tying to catch a big ole trout

Oh what a feeling oh such a feeling
Running through my mind
High up in the mountains, down in the valley
Watching the river flow by

Sitting on the bank by the river
Picking on my old guitar
Sitting on the bank by the river
Grateful for my lucky star

Sitting on the bank by the river
Sitting on the bank by the river
Sitting on the bank by the river
Working for the County
